

# Health, Safety and Environmental Policy

Spirax Sarco is a Cheltenham based manufacturing and sales company, a subsidiary of Spirax Sarco Engineering PLC. We employ approximately 950 employees across two Cheltenham sites. We provide expertise, solutions and sustainability for steam heating in process plants of all types.

## Our aims

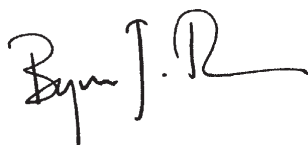

Spirax Sarco Ltd operates a Health, Safety and Environmental Management System in line with the requirements of BS OHSAS 18001: 2007 and ISO 14001: 2004 and has set the following aims:

- **Meet** comfortably, all UK HS&E **legislative and regulatory requirements** relevant to our business.
- **Know the** significant health, safety and environmental **impacts** of our company's activities.
- **Continually improve** the health, safety and environmental **performance** of our company.
- Promote optimum and **efficient use of resources and energy**.
- **Prevent** health and safety risks or environmental pollution.
- **Educate** our **employees** about health, safety and environmental issues.
